

Children- Why are they important

?

They are the only renewable resource a nation has.

The next issue deals with free education. Sri Lanka has one of the highest literacy rates in Asia but people who speak more than one language is a minute percentage

Those who dreamt of providing a free education also visualized a nation that is bi lingual - Sinhala & Tamil or Sinhala & English or Tamil & English or Tamil & Sinhala

*Read how a great dream of a visionary leader got distorted*
