

Volunteer Overseas with VSO

Voluntary Service Overseas is an international development agency that has been working in Africa and Asia for over 50 years. VSO recruits, trains and places volunteers in more than 30 countries. We have been recruiting volunteers from UK, Canada, Netherlands, Kenya, Philippines, India and Ireland.

VSO is now working to recruit volunteers from Sri Lanka to work with communities and organizations in developing countries of Asia and Africa. This is an excellent chance for Sri Lankan professionals to share their skills and learn about other cultures elsewhere in the developing world.

This is also an opportunity for personal and professional growth, as the volunteer will work in challenging environment, live in ways that are sensitive to the cultural values of others and develop relationships based on shared circumstances and mutual respect.

Who can volunteer
