

	Emergency Dental Project. This will provide dental assistance to the tsunami-affected population in Pottuvil and Thirukkovil.		
AHIMSA	Dry rations, medicine, cloths and women's necessities		05/01/2005
Bridge Asia Japan	Construction of 200 temporary shelters 3 pre-schools Trauma counselling activities in pre- schools –(to be implemented soon)  Akkaraipattu Division, Ampara District  -Construction of 50 temporary shelters to be completed by mid-May -Construction of a community hall and pre-school activity (planned)	21/04/2005	03/03/2005
CARE International	Distributed food and non food items to 25000 families The issuing of 2000 Non food relief item packs and 2000 food item packs was finalized. Long term reconstruction activities are being finalized. CARE will be working in 5 DS- Muslim and Tamil Kalmunai, Karaitivu, Ninthavur and Sanithamaruthu.  CARE has continued its Cash-for-Work program providing 875 person-days of work clearing debris between 21 January and 3 February. In the past week, between 62 and 76 people participated in coastal clearing every day in Pothuvil and Thirrukovil. Continued to deliver water in four water bowsers to . From 19 January – 3 February, CARE has delivered 630,900 liters of water to Thirukkovil, Kalmunai, and Pothuvil DS divisions. Coordinated meetings on the divisional level to better coordinate the rehabilitation initiatives of the multitude of NGOs / INGOs in Ampara, with the first meetings held in Thirrukovil and Pothuvil on Thursday and Monday respectively.  CARE has continued its Cash-for-Work program, contributing 473 person-days of work over the last week. Between 63 and 159 people participated in coastal clearing every day in Pothuvil, Thirrukovil, and Kalmunai. CARE began Cash-for-Work activities in two new villages this week: Periyaneelavanai in Kalmunai and P. Central College in Pothuvil. CARE has continued to deliver water in four water bowsers to Thirukkovil, Kalmunai, and Pothuvil DS divisions. In the last week, CARE has delivered 556,200 liters of water. Because of the hartal, CARE was only able to deliver water to one DS division on 12 February.		04/01/2005 19/01/2005  10/02/2005  17/02/2005

	<p>There are now approximately 1,500 people involved daily in the Cash for Work activities. CARE has continued to deliver water in four water bowsers to Thirukkovil, Kalmunai, and Pothuvil DS divisions. In the month of February, CARE delivered 2,375,550 liters of water to 13,016 beneficiaries.</p> <p>Began to clear garbage in 3 camps in two divisions.  Began road repair in one division.  Began latrine construction in two divisions. A total of 6 latrines have been constructed already.</p> <p>CARE has continued its Cash-for-Work program to benefit tsunami survivors, significantly increasing the number of villages and people involved. There are now approximately 1,500 people involved daily in the Cash for Work activities. Cash for Work activities now include coastal clearing, garbage removal, and road construction. Debris clearing has been completed in five villages in Pottuvil and three villages in Thirukkovil; it is ongoing in 8 villages in Kalmunai and 2 villages in Pottuvil. In Tirukkovil (Thambatte I), 1.5 kilometers of road have been reconstructed. Garbage removal has begun in Pottuvil (Urani) and Tirukkovil (Thambatte I) DS divisions. CARE has continued to deliver water in four water bowsers to Thirukkovil, Kalmunai, and Pothuvil DS divisions. We are currently supplying water to 18 villages. CARE began latrine construction in Kalmunai, Thirukkovil, Pottuvil, and Akaraipattu. CARE has constructed a total of 57 latrines in 8 villages.</p> <p>CARE has continued its Cash-for-Work program to benefit tsunami survivors, significantly increasing the number of villages and people involved. Work on a further 60 km in progress.  Garbage clearing is ongoing in 64 camps.  Repair of 3 schools completed. Repair of a further 9 currently in progress.</p>		<p>31/03/2005</p> <p>21/04/2005</p> <p>28/04/2005</p>
--	---	--	---

	<p>Eight community consultations were held during the week regarding livelihood activities. Received list from fisheries department on the requirement of boats, motors and nets which is under review. Survey of 21 acres of land for the construction of 200 permanent shelters in Alyadivembu. Beneficiary survey is completed and the results to be compiled. Permanent housing support for families outside the buffer zone is being discussed and planned. Completed beneficiary survey of 100 families, and for the remaining 527 families it is in progress. Distributed 217 NFI packages in Tirukkovil division.</p>		
Caritas	<p>EHED-Caritas- 149 shelters already built, 35 in progress. 225 man/days participated in a cash for work project, Visits of 3 homes opened for children from refugee camps. On-going evaluation of the possibility to provide them psycho-social support.</p> <p><b><u>Regional Overview:</u></b> *Frustrations regarding lack of clarity on government policies for reconstruction in Kalmunai resulted in two days of protest in Kalmunai with one complete day of work stoppage.</p> <p>*Demonstrators criticized the slow pace of reconstruction and lack of information on the 200/400 meter restrictions.</p> <p>* Both the demonstrations and persistent INGO lobbied have led the government authorities to relax the policy on the previously restricted 200/400 meter zone allowing for construction of transitional shelters by INGOs. Moreover demonstrators criticized the perception that government policies are discriminatory to people in the East.</p> <p><b><u>Beneficiaries:</u></b> EHED / Caritas Ampara social animation team began registering beneficiaries in the 200/400 meter Buffer Zone.</p> <p><b><u>Transitional Shelters:</u></b> The Urban Development Authority approved the construction of transitional shelters in 200 – 400 m zone. The pace of shelter construction is maintained at 10 shelters per day. The construction was finalized on a relocation site for 29 families at the request of the local church. A pilot test was conducted in one shelter by installing insulating material and wire meshing. The test of insulation seems positive but it has still to be defined the cost and supply chain for the selected material. Following some discussions with UNHCR and other INGOs, EHED / Caritas Ampara has been suggested as the focal point agency on shelter for Kalmunai.</p>		<p>10/03/2005</p> <p>28/04/2005</p>

	<p><b><u>Water Sanitation:</u></b>  The prototype latrine was completed and design water supply finalized. This prototype will allow assessing the construction process, the feasibility of the design and plan for scaling up on latrine construction. Technical specifications for the water system were finalized and discussions with potential contractors began.  In order to start rehabilitation of existing latrines in partnership with the local Municipal Council, an advertisement was placed in local newspaper and the short-list of contractors for implementation has started.</p> <p><b><u>Non Food Items:</u></b>  The local purchasing process for NFI packages for 300 shelter beneficiaries and 200 women's kits continue. Distributions have started.</p> <p><b><u>Livelihoods:</u></b>  With a total of 209 man-days, teams were mobilized for clearance in 4 sites. The fence around a Refugee Camp (Natputtimunai) is in the process of being erected with IDPs living in the camp receiving cash for work.  EHED / Caritas Ampara developed a request for distribution of tools and support to 16 small businesses.</p> <p><b><u>Recruitment &amp; Capacity Building:</u></b>  Four new staff persons started :  - 1 Chief Technical Officer  - 2 Social Animators  1 Livelihood Officer</p>		
<p>Christian Children's Fund (CCF)</p>	<p>Saspen, kitchen supplies (plates, cups, utensils etc.) baby needs (infant soap, cologne, samaposha, paracetamol, gripe water bottles, anchor packets etc.), cleaning supplies (mamoties, shovels, buckets, disinfectants) and 500 L water tank Assistance in cleaning and cooking, welfare assistance, child-centered activities, government cooperation, coordinating and assisting with distributions-camps of Senayayake, Bandaranayake, Uccwantissa, Catholic Church, Tamil School, Methodist Church, Lanka Sabawa, Anglican Church, Kanantiss MV, Mandala Mana Visara</p> <p>9 Child Centered Spaced (CCS) have been established. Some 700 children are presently supported through the CCS</p>		<p>18/01/2005</p> <p>03/03/05</p>

Some 200 victim of the tsunami are engaged in Cash for Work activities (cleaning) in 2 Divisions.

Danish Red Cross	<p><b>Activities</b></p> <ul style="list-style-type: none"> <li>• Meeting in Colombo with the DRC team (including meeting the two new team members (finance development delegate and PSP delegate Hambantota)), discussing program progress and constrains.</li> <li>• Preparing the first draft of a proposal for vocational training for young women (send to private Danish donor)</li> <li>• Budget overview with finance development delegate.</li> <li>• Procurements in Colombo including quotations.</li> <li>• Distribution of 250 pairs of shoes in one school in Sainthamaruthu. This was <b>not a perfect distribution</b> as the shoes sizes given by the principal were incorrect. Lesson learned: The teacher has to list the individual child and the shoe size, before purchasing the shoes and sample of different sizes has to be tried at distribution.</li> <li>• Meeting with the PSP teams in: Karativu, Sainthamaruthu, Pottuvil and with the new team</li> </ul>								31/03/2005		

	<p>based in Ampara/Akkirapattu: Feedback from last training in Jaffna, experiences from the field, mapping where the teams are working and planning for future activities. This includes investigation of the need for/possibilities for expanding the “Widows program” to other areas.</p> <ul style="list-style-type: none"> <li>• Discussed different vulnerable groups with the volunteers, including young unmarried Tsunami victims. This seem to be a big problem for some, especially poor women where parents/property has been lost, to be able to get married due to the high amount paid as dowry. Equipping the young women with education and jobs well give them some support, why possibilities for vocational training will be investigated further.</li> <li>• 18 sewing machines and 6 grinding machines has until now, been distributed to Muslim widows in Sainthamaruthu.</li> <li>• Participated in organizing a one-day training for all PSP volunteers from all NGO’s working in Pottuvil.</li> <li>• Meeting with Zonal Educational Director Akkariapattu, discussed distribution of shoes, bags, etc., to affected children and upgrading schools in the affected area</li> <li>• Meeting with new Head of Mission, Ampara ICRC and Eco/sec delegate ICRC about involvement into livelihood. It seems as if most areas are covered, except fishing which is a political very sensitive topic.</li> <li>• Made several attempts to have a meeting the SLRCS chairman, meet with newly appointed coordinator in Pottuvil area and made arrangement of premises for office and meeting room for the Pottuvil based PSP team.</li> <li>• Admin work in office: Fixed asset list, spread sheet for activities, etc.</li> </ul> <p><b>Comments/conclusion</b>  The program has by now following components:  <i>PSP teams:</i></p> <ul style="list-style-type: none"> <li>• Karativu: 32 volunteers (5 trained in Jaffna) doing play and sports activities 3 - 4 times a week in Karativu.</li> <li>• Pottuvil: 22 volunteers (17 trained in Jaffna) working 6 days a week. Working in 9 places in Pottuvil area (doing play, sport and home visits with psychosocial support to families) and 7 places in Trirukkuvil area (mainly doing home visits with psychosocial support to families).</li> <li>• Sainthamaruthu: 8 volunteers (all female) doing home visits to widows app. 5 days a week, giving them psychosocial support and identifying areas for future livelihood possibilities (which are in the process of being covered)</li> <li>• Ampara/Akkirapattu: A newly started team of 8 volunteers (2 trained in Jaffna), feedback from their first field visits will be given next week.</li> <li>• There is a great need for further training – especially of the non-trained volunteers in PSP</li> </ul>		
--	--	--	--

	<p>but also in other areas, like health structure, legal issues.</p> <p><b>Distribution:</b> For schools: Mainly item for schools/school children like shoes and water bottles, equipment for school offices in the totally damaged schools, etc.</p> <p><i>Livelihood:</i> As most areas of the male population will be covered by “livelihood NGO’s” ,focus will be on the more vulnerable groups like women, especially widows</p> <p><i>Vocational training:</i> Need for vocational training has been identified by, why this area has to be investigated further.</p> <p><b>Concerns/constrains</b></p> <ul style="list-style-type: none"> <li>• It has been very difficult to arrange meetings with the SLRCS branch chairman and to become up-dated of activities of the branch, hopefully initiatives will be taken from Colombo side to support the branch will OD capacity.</li> <li>• The issue about per diem for volunteers has to be solved soon as the different PNS’s are haven different payment scheme. It will be difficult to motivate and sustain the group of volunteers on 150,- Rs a day when other PNS’s is paying min. 250,-Rs a day (+ transport + lunch).</li> <li>• The adverse effect of the big amount of money pouring in from the INGO’s is of big concern, local small enterprises are having difficulties in sustaining their business and the vulnerable people of the non-Tsunami affected population could become the victims this relief operation.</li> </ul> <p><b>Statistics:</b> Please see separate spread sheet, which not for official distribution as the numbers still are questionable.</p> <p>Meetings with PSP teams in Pottuvil, Sainthamaruthu, Karativu and with a new psychosocial team initiated by on of the trained volunteers, this team is working in Nitavur and Akkaraipattu. Purchased shoes (950 pairs) for school children in Akkaraipattu and initiated a program to assess the need in Kalmunai Zonal Education Division.</p> <p><b>Psychosocial support project</b></p> <ul style="list-style-type: none"> <li>• A meeting for all 72 psycho-social volunteers together with other volunteers from the SLRCS Ampara branch has been held. The volunteers got an introduction of the Red Cross movement in general and SLRCS-Ampara specifically. 5 PSP volunteers presented their activities. There was a very positive reaction on the meeting which created good social interaction.</li> </ul>	<p>Dated 08/04/2005</p>	<p>07/04/2005</p> <p>21/04/2005</p>
--	--	-------------------------	-------------------------------------

	<ul style="list-style-type: none"> <li>• 12 volunteers (11 women and 1 man) have been identified for the 3<sup>rd</sup> training in Jaffna, starting the 18<sup>th</sup> of April.</li> <li>• Visit from Jaffna by senior trainer in psychosocial work (Shanthiam), he had one full day with the trained volunteers and the immediate response was extremely positive. He was impressed by the performance of the volunteers even though there were a few corrections; and the volunteers were very happy to have feed-back and response on their work.</li> <li>• A psychologist working for Oxfam-Australia has offered to have consultations with the volunteers on their field work. Focus will initially be to support the non-trained volunteers.</li> <li>• The official donation of 100 teacher's tables, 100 teacher's chairs, 30 principal tables and 30 principal chairs for tsunami affected schools in Akkaraipattu Zonal Educational Department.</li> <li>• Distribution of 430 pairs of shoes for school children in Palamunai; schools with very poor children and some displaced due to Tsunami.</li> <li>• New office/meeting place in Sainthamaruthu has been taken into use.</li> <li>• Meetings concerning the construction of a new nursing school in Ampara district.</li> <li>• The widows-programme has now been expanded to Karativu and Kalmunai. In Karativu the volunteers there will do the work and in Kalmunai the work will be done by the Sainthamaruthu volunteers in corporation with a local NGO (ICC) who have visited the widows once before but do not have financial possibilities to support the widows further. The programme has good constantly positive feed back from the beneficiaries.</li> <li>• Meeting with ICRC, PNSs in Ampara and security delegate ICRC. The security delegate mentioned several issues also that his recommendation will be that all PNSs have radio contact to ICRC as a communication and information channel in case of security problems. This meeting was followed by an individual meeting with the HOD who wished to have a detailed discussion on some of the issues raised.</li> </ul> <ul style="list-style-type: none"> <li>• Meeting in Kandy with delegates from Colombo, Batticaloa and Trincomalee. A very good and productive meeting.</li> <li>• Distribution of bags for all PSP volunteers – very well received.</li> <li>• Meeting discussion identification of need for shoes for school children and methods to handle the big number (up to 15.000 pair of shoes and maybe even more).</li> <li>• Meeting at GA office, very confusing information about progress within shelters.</li> <li>• Meeting with all 4 teams: <ol style="list-style-type: none"> <li>1. Nintavur: Improvement in their performance is needed, hopefully training will start soon.</li> <li>2. Pottuvil: The work is running smoothly, 15 children in Pottuvil/Thirukkivil area have been identified as school defaulters due to lack of support from caretakers and thereby lack of equipment (bags, uniforms, shoes etc.) as they have been absent during general</li> </ol> </li> </ul>	<p>Date: 15.04.05</p>

GOAL Sri Lanka	<p><b>Rubble Removal</b></p> <p>This portion of the programme is clearing up public spaces, schools, houses and roads to allow access into areas that have been destroyed. It is done in collaboration with local government and local communities. They aim to use Cash For Work strategies so that people directly benefit from this CFW employment.</p> <p>It will not be possible to clear rubble on the sites of people’s houses until the government assessor</p>		<p>17/03/2005</p> <p>24/03/2005</p>

	<p>takes a look at the damage and pay compensation to families; this will delay house clearance at least until March 2005.</p> <p><b>Waste Management</b>  This involves clearing household waste– GOAL is supporting the local government to manage the waste disposal – providing transport and logistics. At present GOAL is trying to make sure there is more recycling of construction materials. GOAL will help to make sure the dumps are improved and enlarged to cater for the increase in rubbish. GOAL is also assessing the possibility of working with a local partner on this aspect of the programme.</p> <p><b>Sanitation</b>  GOAL is constructing latrines adjacent to temporary shelters and supporting the local authorities with septic tank clearance through the provision of equipment and local staff.</p> <p><b>Water Infrastructure</b>  GOAL is cleaning canals and draining lagoons filled with sea water and debris. GOAL is also providing water to displaced families in field locations.</p> <p><b>Non Food Items</b>  GOAL is distributing non food - bedding, clothing, shoes, hygiene kits, mosquito nets. This programme will end in April.</p> <p><b>Roads Programme</b>  Goal is working in collaboration with local communities and authorities to clean roads and do repairs to infrastructure (bridges, culverts, etc.) working in partnership with the Road Development Authority.</p> <p><b>Permanent Housing (Rehab)</b>  GOAL is assessing the damage to permanent houses and will assist in the rehabilitation of partially destroyed houses. This will facilitate families to return to their homes as quickly as possible. GOAL will be providing on average €400 per house to repair one or two habitable rooms through the provision of building materials and components. This will also encourage and revitalise local business such as carpentry and masonry.  GOAL is planning to assist with the construction of permanent housing, it is expected that this will be slower to start due to the process of obtaining the planning permission and approvals.</p> <p><b>Transitional Shelter</b>  The construction of temporary housing enables families to live independently until they begin work</p>		
--	--	--	--

on a permanent solution. GOAL is constructing temporary housing for vulnerable families who have lost their homes.

**Cash for work**

The communities are identifying the projects to be carried out and GOAL is supporting this work with funding and logistical support.

**Quick Impact Projects (QIP'S)**

GOAL is supporting a variety of quick impact projects such as pre-school's, block and rope production facilities, bicycle distributions to community groups etc. These QIP's are intended to support local initiatives which are getting people's livelihoods back up and running.

**Boating repair and the boating industry**

GOAL is working with local cooperatives and communities in rehabilitating partially damaged boats, providing nets and replacing outboard motors. GOAL is working to restore what had previously existed and works in cooperation with the Ministry of Fisheries and FAO. GOAL is currently in the process of purchasing nets to equip 50 boats of various sizes.

## Programmes

### **Shelter (information limited due to national holidays)**

- New timber supplies arrived this week, however delays have impacted on the speed of construction. National holidays x 3 days this week has also slowed production
- NGO's/local contractor have been identified and 3 groups have started construction of shelters this week. Additional contractors are being sorted.
- Looking into possibility of introducing a bonus scheme in workshop to improve production.

### **Water Sanitation (information limited due to national holidays)**

- 2 teams working in support of the water board continue to connect households.
- GOAL continues to support well cleaning through the water board.
- Bowser route for water distribution, supply for 10,000 people will continue until end of April, will be taken over by the water board.

### **Boat Repair**

- The 30 sets received this week were distributed on Tuesday.
- Investigations are starting to set up a temporary ice plant for the fishing sector and to look into construction of a harbour.

	<p>Distribution of SHELTER-NFI. (blankets, mosquito nets, nets, tents)</p> <p><b>Collaboration with PSF for bringing spaces of de-stress and entertainment to the affected population.</b>  <u>Psycho Social Assessment</u>  MSF realized an assessment of the psycho social needs and response.</p> <p><u>Bring happiness in this difficult moment to the population affected by the Tsunami (with PSF/Clowns without borders).</u>  MSF and PSF (Clowns without borders) develop a common mission to work with the Sri Lanka population. The activities carried out include shows in camps and schools and workshops for volunteers that will develop activities for the affected children.</p>		
National Anti War Front	<p>Providing Relief Activity for affected areas mainly Ampara and Kalmunai in the Eastern Province. 15 Doctors with medicines along with 30 students from the Peredeniya University are providing volunteer services in these affected areas. <b>FCE</b> Ampara office staff are coordinating and supplying all the logistics arrangements to our team.</p>	Ampara & Kalmunai	07/01/2005
National Christian Council of SL	<p>Immediate relief of dry rations, mats, water.  Next phase – water, medicine, livelihood { Mutur – Verugal, Valachenai – Kalkudah Thirukovil (Kanchikudicharu) –Komari }</p>		
Norwegian Refugee Council (NRC)	<p><b><u>School Rebuilding</u></b>  NRC will rebuild and rehabilitate 6 schools damaged by the tsunami in Ampara district. Some construction work is about to start in four of these schools.</p> <p>NRC’s architect has recently completed a visit to all schools to be rebuilt or rehabilitated by NRC together with NRC Project Coordinators. During these visits tailor-made rebuilding programs for each and every school have been discussed with the local authorities (zonal directors for education and school principals). The designs will be further developed in order to incorporate various local needs. The Ministry of Education will be consulted regarding the designs in the beginning of April. As soon as the architectural designs are approved, the structural designs and tender documents will be prepared.</p> <p>A psychosocial program is being developed for training of teachers, and selected teachers from all schools to be rehabilitated by NRC will participate in psychosocial training.</p>		07/04/2005
PAFFEREL	<p>Dry rations, Medicine, Mats, Clothes</p>		
Pottuvil and Arugam Bay Fisherman	<p>We now have four boat &amp; engine units (two or three man crew) operating (Lily, Entalump, Jenny and Janie A) and a further eleven to be delivered over the next month or so.  One sea tornie (Bunty) that employs 40 fishermen is now fishing. Another four sea tornies have</p>		17/02/2005

<p>Association</p>	<p>been given financial assistance for repairs to boat and nets and one 32' sea tornie being built. There are six lagoon tornies (two man crew) ready for delivery and sixteen to follow over the next two weeks. Another ten will be ordered soon. Plans for the construction of a new workshop facility for servicing outboard engines are being drawn. The building will stand on land kindly provided by the Association Director Dr Issadeen the DMO of Pottuvil Hospital.</p> <p>Boat &amp; Engine Units (15) - 10 delivered, remaining boats and engine units will be delivered within 4 weeks, -3 engines donated by Rotary Club</p> <p>Lagoon Tornie (52) - 20 delivered, remaining will be delivered within 6 weeks</p> <p>Madel/Sea Tornie - 1 - 23'0" ("Bunty") operating  3 - 23' 0" under construction  5- 26' 0" to 32' 0" under repair  2 - 32' 0" under construction</p> <p>We have also started to advise individuals and organisations on sourcing, building and buying boats and equipment. This will lead to us actually managing requirements and therefore saving the tortuous and time-consuming process of learning the ropes and will help to avoid the many pitfalls.</p> <p><b>Boat &amp; Engine Units (present commitment 15)</b>  12 delivered, remaining boats and engine units will be delivered within 2 weeks</p> <p><b>Lagoon Tornie (present commitment 52)</b>  40 delivered, remaining will be delivered within 2 weeks</p> <p><b>Madel/Sea Tornie</b>  As at March 2005 eight Madel owners have assisted the organization.  o For further information please visit our CHA website.</p> <p>The Association is seeking funds to extend operations.</p> <p><b>Boat &amp; Engine Units (present commitment 15)</b>  15 delivered.</p> <p><b>Lagoon Tornie (present commitment 60)</b>  52 delivered, remaining to be delivered within 2 weeks</p>		<p>03/03/05</p> <p>17/03/2005</p> <p>07/04/2005</p>

UNICEF	<p>Staff in Ampara have helped ferry the wounded and the dead to area hospitals. Procured three 6,000 litre water bowsers for Batticaloa, Matara and Ampara on 31 December. 7,000 Litres of water were dispatched. Two water bowsers will be deployed from Puttalam district to Jaffna and Ampara districts.</p> <p>125 latrines have been completed through Dept of Health &amp; a local NGO in camps of Kalmunai, Karathivu &amp; Ninthavur. 3 schools in Akkaraipattu have been cleaned. 66 school kits to be distributed.</p> <p>UNICEF in Ampara supported the relocation of 200 families from 2 school buildings in Pandiruppu by providing tarpaulin and water tanks. Cooking utensils will also be provided by UNICEF. There are currently six water bowsers and three gully emptiers working. Three of the water bowsers have been supplied by UNICEF. The UNICEF privately hired gully emptier in Colombo has been assigned to Kalmunai district. USAID has started the construction of latrines in five temporary school buildings set up by UNICEF.</p> <p>14 schools were cleaned in Akkaraipattu zone.</p> <p>Colour washing in damaged schools in Kalkudah education zone has started</p> <p>the Green Movement volunteers from Kandy will start cleaning three schools vacated by IDPs</p> <p>UNICEF is working with a group of NGOs (Merlin, Oxfam, Terre des Hommes, Oxfam UK, ACD and Solidarite) to coordinate hygiene promotion. 400 volunteers are available from the district health authorities to assist with hygiene promotion in the schools and community.</p> <p>UNICEF is also working with the Water Board to prepare a monitoring system for the 18 water bowsers operating in the district.</p> <p>UNICEF is awaiting approval for the construction of 67 semi-permanent classrooms.</p> <p>The psycho-social core group and the psycho-social forum met in Kalmunai to develop terms of reference for the family support workers programme and to plan a two week training programme.</p> <p>Handed over its 20,000 mosquito nets to the DPDHS, Kalmunai.</p> <p>870 family kits were distributed in Kalmunai. (during 21-25 Feb)</p> <p>Some 310 family kits are being stored in Colombo for distribution</p> <p><b><u>Distribution of supplies</u></b></p> <p>8428 school bags to Akkarapattu and 9562 bags to Kalmunai were dispatched.</p> <p>The distribution of family and recreational kits in the district is on going.</p> <p>Waste disposal assessment: Participated in a joint assessment of a waste dumpsite in Samanthurai DS division with partners MOH, GOAL and Solidarity.</p> <p><b><u>Water and Sanitation</u></b></p> <p>Site assessments for the purposes of WES planning are scheduled.</p>	<p>05/01/2005</p> <p>06/01/2005</p> <p>18/01/2005</p> <p>20/01/2005</p> <p>03/02/2005</p> <p>10/02/2005</p> <p>24/02/2005</p> <p>03/03/2005</p> <p>17/03/2005</p>
--------	---	---

	<p><b>Construction of temporary school shelters.</b> Awaiting approval for the construction of 67 semi permanent classrooms. The sites for the 40 temporary classrooms in Kalmunai have been identified. Another 27 sites in Akkarapattu are being finalized.</p> <p><b>Water &amp; Sanitation:</b> *In Ampara, there are currently some 33 water bowsers serving an IDP population of 23,000 and a community population of 7,000 with at least 15 litres of water per person per day. * The water bowsers are collecting water from 18 small water treatment plants supported by INGOs and, to a lesser extent, from the five larger water treatment plants run by the Water Board.</p> <p><b>Shelters:</b> * The GA in Ampara has requested the delivery of 1,300 UNICEF tents for use in transitional camps. The request is currently under consideration by the Task Force for Relief (TAFOR).</p> <p><b>Temporary School Shelters:</b> *To date, UNICEF has received and approved 227 requests for the construction of temporary school shelters, 82 of which have already been constructed. Shelters currently under construction include temporary school buildings in the Thirumadu transitional camp of Ampara. * Two schools will be located on either end of the camp site to accommodate the IDP children living there. In addition, a temporary shelter has been erected in Kurukalmadam, Paddiruppu Education Zone, Ampara to support the teaching of children relocated from a damaged school.</p> <p><b>Schools cleaned with UNICEF support:</b> *52 schools were cleaned.</p> <p><b>Supply and Logistics</b> *The four gully bowsers released from customs last week have been registered and branded and are now ready for delivery to Ampara.</p>		24/03/2005
World Food Programme	Monitoring activities covered all the divisions this week. Please refer to CHA website for a detailed report on this matter.		10/03/2005
