Learning from the Field
Innovating China's Higher Education System

Edited by
Ronnie Verwoy, Li Xiaoyun,
Xu Xiang, Lu Min and Qi Guobo

By Ronnie Verwoy

This book shows how university staff, researchers, students, and farmers are working together for a practical, realistic approach to curriculum revision. Also it shows how the process of curriculum revision has contributed to translating China's current higher education policy reforms into practice.

Competition Policies in Emerging Economies
Lessons and Challenges from Central America and Mexico
Edited by
Claudia Schatan and Eugenio Rivera Utrilla

Competition Policies in Emerging Economies: Lessons and Challenges from Central America and Mexico
By Claudia Schatan and Eugenio Rivera

Competition Policies in Emerging Economies features an in-depth analysis of two strategic industries-telecommunications and banking-in several Central American nations which sheds light on the dynamics of the transition to deregulation and trade liberalization. Examining the lessons learned from these experiences and presenting of political, legal, economic, financial, cultural, and organizational issues, the book provides unique perspectives on competition policy and economic development.

A GLIMMER OF HOPE
A NEW PHASE IN CONSTITUTIONAL REFORM IN SRI LANKA
Edited by
Sumanasiri Liyanage and M Sinnathambay

A Glimmer of Hope
Edited by Sumanasiri Liyanage and M Sinnathambay
Published by South Asia Peace Institute

SAPI has undertaken to publish series of articles on various issues related to the peace process and state restructuring.

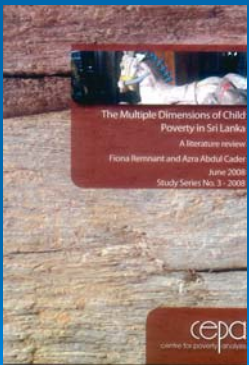

This publication brings into focus different opinions on two sub-committees of the expert panel and the proposals by Minister Tissa Vitharana to the APRC.

One Step at a Time: Reflections on the Peace Process in Sri Lanka 2001-2005
By Sumanasiri Liyanage
Published by South Asia Peace Institute

This book is of many things: identity, nation, nationalism, conflict, negotiations, peace, democracy, justice and equality. The discussion of these subjects takes place against the backdrop of the events and processes that took place in Sri Lanka between 2001 and 2006.

It is a careful analysis of the failures of the Norway brokered ceasefire agreement between GOSL and LTTE.

The Multiple Dimensions of Child Poverty in Sri Lanka
By Fiona Remnant and Azra Abdul Cader
Published By CEPA

This study draws on a range of qualitative and quantitative information available on a variety of issues relevant to a The Multidimensional understanding of Child Poverty in Sri Lanka.

By assessing the literature available from a range of research institutions and government departments, the authors attempt to provide an overview of priority issues facing deprived, excluded and vulnerable children in Sri Lanka, as well as identifying research.
